

Love Is In Your Eyes

words & music by
John Dandrea

**Love is in your eyes; love is in your eyes
Love is in your eyes
Summer's in the air
Laughter everywhere
Sunlight in your hair. . . .
Love is in your eyes, love is in your eyes
Love is in your eyes**

**It's in the air - I saw it there
I know you care,
I saw it, a moment ago
I know it's so
Don't you ever let it go
Let it show. . . .**

**Love is in your eyes; love is in your eyes
Love is in your eyes
Summer's in the air
Laughter everywhere
Sunlight in your hair. . . .
Love is in your eyes, love is in your eyes
Love is in your eyes**
