

Lady Of The Dawn

words & music by
John Dandrea

**I know a Lady,
with eyes as blue as the sea
sunlight colors her hair
she'll always know that I care
her spirit is always strong
she's never down for long
she's the Lady Of The Dawn**

**Well I know a Lady,
who reaches out to touch me
whenever I'm going astray
she helps me find the way
even when she's gone
her loving lingers on
she's the Lady of the Dawn**

**I know a Lady,
who knows the way to be free
she always knows what to say
she's the sunshine of my day
I know her love is strong
she's never down for long
she's the Lady of the Dawn**
