

Just The Thought Of You

words & music by
John Dandrea

**My life has been just like a sailboat
headin' out to the sun
sometimes it's mighty hard to stay afloat
and travel on 'till it's done**

**Along a rough and rocky shore
I set my sails for You
and though the journey lasts forevermore
You'll always know my love is true**

**Just the thought of You, comin' to me now
just the thought of You
and as long as I have You near,
I'll make it through**

**Sometimes it seems I can't go on
the water seems so deep
but I look back and see how far I've gone
and promises I mean to keep**

**Just the thought of You, comin' to me now
just the thought of You
and as long as I have You near,
I'll make it through**
