

Stillness Of The Dawn

words & music by
John Dandrea

**Let me walk with You alone in the stillness of the dawn
let me always remember, You're right here to lean on
may each moment of the day, find me ever closer to You
in the stillness of the dawn may I hear Your voice of truth!**

**When I get discouraged Lord, and I stumble through the day
speak to me and remind me to let You lead the way
may each breath You give to me, be a song of praises to You
in the stillness of the dawn, may I hear Your voice of truth!**

**Sometimes I am tempted to take back control of my life
but praise You Lord, You are always here
to lead me back to the light - back to the light. . . .**

**When I walk with You alone in the stillness of the dawn
I find peace and forgiveness, and strength to carry on
may each moment of the day, find me ever closer to You
in the stillness of the dawn may I hear Your voice of truth!**

**Sometimes I am tempted to take back control of my life
but praise You Lord, You are always here
to lead me back to the light - back to the light
I hear Your voice. . . .**
