

On My Knees

words & music by
John Dandrea

**I don't hear voices from a burning bush
I don't see angels everywhere I look
I do my best, to get through the day
and I still get down on my knees and pray
I get down on my knees**

**I don't have fancy cars or diamond rings
don't waste my love on such foolish things
I do my best, to show You I care
and I still get down on my knees in prayer
I get down on my knees**

**On my knees, I start the day
without You here, Oh Lord,
I wouldn't even know how to pray!**

**I know my days are so very few
Lord, let me know what You'd have me to do
just let me hear Your voice everywhere
and keep me always on my knees in prayer
always on my knees**

**On my knees, I start the day
without You here, Oh Lord,
I wouldn't even know how to pray!**
