

We Lift Our Praise

words & music by
John Dandrea

**We lift our praise, to You O Lord,
to Jesus Christ, King of Kings
You showed the way, through Calvary
You conquered death and rule all things**

**Help me remember, each and every day
let me rely on You to guide me through the rain
each step of the way**

**We lift our praise, to You O Lord,
in thankfulness, of all that You are
in ages past, as in eternity
You light our way - our morning star**

**Help me remember, each and every day
let me rely on You to guide me through the rain
each step of the way**

**We lift our praise, to You O Lord,
may we honor You all of our days
Your Spirit now, brings us holiness
and from our hearts, we lift our praise!
and from our hearts, we lift our praise!**
