

A Joyful Sound

words & music by
John Dandrea

**We are One in the Lord, One in the Spirit
One in the Lord, won't you clap your hands and hear it!
We are One in the Lord, One in the Spirit
One in the Lord, won't you stomp your feet and hear it!**

**Every day is a new beginning
let's make a joyful sound!
let us gather in praise and worship,
feel the love of God, abound!**

**We are One in the Lord, One in the Spirit
One in the Lord, won't you clap your hands and hear it!
We are One in the Lord, One in the Spirit
One in the Lord, won't you stomp your feet and hear it!**

**Every day is a new beginning
let's make a joyful sound!
let us gather in praise and worship,
feel the love of God, abound!**

**We are One in the Lord, One in the Spirit
One in the Lord, won't you lift your voice and hear it!
lift your voice and hear it!
lift your voice and hear it!**
