

The Rainbow Bridge

words & music by
John Dandrea

**Oh so long ago, our world was flooded with the rains
and nothing could survive, except for those that God had saved
when the arc found land, when God had made the waters cease
He wrote upon the sky, His promise for eternity
and the rainbow is there for all to see**

**God so loved the world, He gave to us the Prince of Peace
the Holy Lamb of God, He gave His life for you and me
and the only way to God, is through the blood of Jesus Christ
He's the Way, the Truth, the Life, made perfect in His sacrifice
He's the rainbow bridge, that leads to paradise.**

**and we follow You, dear Lord
and we praise You God, forevermore
lead us, over Your rainbow bridge
over the rainbow bridge, just over the rainbow bridge.**

**Holy Spirit dwell, within our heart and in our mind
fill us with Your Love, and give us sight when we are blind
set our hearts on fire, and help us as we take a stand
against the powers here, and shout Your Good News through the land
and the rainbow reminds us of Your Plan.**

**and we follow You, dear Lord
and we praise You God, forevermore
lead us, over Your rainbow bridge
over the rainbow bridge, just over the rainbow bridge.**
