

# ***Sometime, Somewhere***

words & music by  
John Dandrea

**Sometime, somewhere  
we'll be face to face with Jesus  
sometime, somewhere  
we'll know all the answers to the questions here  
the mysteries of life, will all become so clear  
but for now we hear Him say:**

**"My Grace is sufficient for all you need to do  
My Promise is written in red letters for you "**

**Sometime, somewhere  
all that's hidden will be seen, and  
sometime, somewhere  
time will cease to be, and we will live with You  
a brand new Paradise, we know Your Word is Truth  
but for now we hear Him say:**

**"My Grace is sufficient for all you need to do  
My Promise is written in red letters for you "**

**Sometime, somewhere  
we'll be whisked away to join Him  
sometime, somewhere  
death will cease to be, we'll see the face of God  
the Glory and the Power, beyond our wildest dreams  
but for now we hear Him say:**

**"My Grace is sufficient for all you need to do  
My Promise is written in red letters for you  
Now fellowship here, and feel your heart - renewed! "**
