

# *Play With Me*

words & music by  
John Dandrea

**play with me, today the sun is shining  
play with me, we could walk or go bike-riding  
wouldn't it be great - to skate a figure-eight?  
so much to see - come along and play with me**

**play with me, I bet the fish are biting  
play with me, together it's exciting  
wouldn't it be fun - to get some bubble-gum?  
so much to see - come along and play with me**

**come along and play - there's fun along the way  
I wonder what adventures we'll find -  
If we're late, I'm sure that Mom won't mind  
come play with me - play with me**

**play with me, we'll chase the butterflies  
play with me, as the clouds cross the skies  
wouldn't it be great - to get a chocolate shake?  
so much to see - come along and play with me**

**come along and play - there's fun along the way  
I wonder what adventures we'll find -  
If we're late, I'm sure that Mom won't mind  
come play with me - play with me**

**play with me - come along and play with me. . . .**
