

Kisses

words & music by
John Dandrea

**kisses, kisses
gooey chocolate kisses are the best
and if I like you better than the rest
I'll grab some I've been saving all day through
and give those chocolate kisses all to you**

**kisses, kisses
gooey chocolate kisses are a treat
and if I think that you are really neat
I'll close my eyes and make a kiss for you
and you can share my chocolate kisses too**

**a chocolate kiss can be your new best friend
unwrap it and you'll know that this is true
the happiness it brings will never end
each time I give a chocolate kiss to you
each time I give a chocolate kiss to you**

**kisses, kisses
gooey chocolate kisses are just great
and if I want to tell it to you straight
I'd have to say just how I feel for you
I'm glad you like my chocolate kisses too!**

**a chocolate kiss can be your new best friend
unwrap it and you'll know that this is true
the happiness it brings will never end
each time I give a chocolate kiss to you
each time I give a chocolate kiss to you**
