

The background is a vibrant, cartoon-style illustration of an underwater world. In the top left, three orange and white striped fish swim. In the top right, two yellow and black striped fish swim. The bottom left features a sandy seabed with pink and purple coral, a green sea anemone, and two orange and white striped fish. The bottom right shows two black and white striped fish with yellow accents. The water is a clear, light blue.

My Great Big Yellow Sponge

words & music by

**oh, I love my sponge, my great big yellow sponge
it helps to make my bath time so much fun
it floats just like a boat, and not a submarine
and best of all it's yellow, like the sun!
oh, I love my sponge - my great big yellow sponge**

**oh, I love my sponge, my great big yellow sponge
it makes me want to really take my time
I like the soapy water, on my yellow boat
and best of all this yellow boat is mine!
oh, I love my sponge, my great big yellow sponge**

**oh, I love my sponge, my great big yellow sponge
it helps me keep my bathtub really neat
I can dry the water, off the shower walls
it even helps me dry my great big feet!
oh, I love my sponge, my great big yellow sponge**

**my great big yellow sponge
my great big yellow sponge**
