

Never Be The Same

words & music by
John Dandrea

**well, whoever was right, whoever was wrong
doesn't make a difference where the blame belongs
this is our world and it's the only one we've got
don't turn away, cause we can't afford the cost**

(chorus)

**let's get back in the game and let's all do our part
together we're strong, alone we just fall apart
let's look out for each other, and call upon God's Name
'cause our precious earth, will never be the same**

**whoever was right, whoever was wrong
doesn't make a difference, we're here where we belong
and whatever life gives or takes back away
we can always give thanks, for each and every day**

(repeats chorus)

**whoever was right, whoever was wrong
doesn't make a difference, now we're going strong
till the end of our days, we'll never be alone
God is always here, and He'll come to take us Home!**

(repeats chorus and ends)
